Los Angeles, California 90012

Dear Commissioners:

**ARCHITECTURAL SERVICE AGREEMENT FOR THE SORENSEN LIBRARY IN
WHITTIER AND THE PICO RIVERA LIBRARY IN PICO RIVERA (1)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the award of an Architectural Services Agreement (Agreement) between the Community Development Commission and Carde Ten Architects (Consultant), to provide full architectural services and perform other related work for development of the Sorensen Library, to be located at 11405 Rose Hedge Drive, Whittier; and the Pico Rivera Library to be located in Pico Rivera; authorize the Executive Director to use \$2,066,700 in funds transferred from the First Supervisorial District to the Commission for this purpose; and authorize the Executive Director to execute the Agreement and all related documents, to be effective upon execution by all parties, which will not exceed 30 days following the date of Board approval.
2. Authorize the Executive Director to execute all necessary administrative amendments to the Agreement, as well as any amendments to increase the above compensation amount by up to \$516,675, following approval as to form by County Counsel, to provide for any unforeseen project costs, using the same source of funds.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to award an Architectural Services Agreement to provide full architectural services, and to perform other related work to develop the Sorensen and Pico Rivera Libraries.

FISCAL IMPACT/FINANCING:

The Agreement will be funded with \$2,066,700 in County Project and Facility Development funds approved by the Board on February 7, 2006. The Commission will request Budget Authority through the fiscal year 2006-2007 annual budgeting process.

A 25 percent contingency, in the amount of \$516,675 is also being set aside for unforeseen costs using the same source of funds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

In September 2005, the First Supervisorial District requested that the Commission provide construction and project management services for development of the Sorensen and Pico Rivera Libraries.

On February 7, 2006, the Board instructed the Chief Administrative Officer to complete and execute funding agreements with the Commission to transfer funds from First Supervisorial District to the Commission for a variety of capital projects in the First Supervisorial District, including funding for development of these libraries.

The local communities have a significant need for library services. Therefore, the Commission wishes to retain the services of the Consultant to provide full architectural services for the development of the Sorensen and Pico Rivera libraries. The Consultant will be responsible for architectural programming, concept design, design development, construction drawings, specifications, construction administration and project close out. The Consultant will also be responsible for obtaining all plan check approvals, assisting with the bid phase to identify a contractor for construction of the libraries, and any other services required to complete the project.

The Agreement shall remain in full force until completion of construction of the libraries, unless terminated in writing.

The Sorensen Library will be located at 11405 Rose Hedge Drive in Whittier. The location of the Pico Rivera Library will be determined during design process.

Should the Consultant require additional or replacement personnel during the term of the Agreement, it will give consideration for any such employment openings to participants in the County's Department of Public Social Services' Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW)

program who meet the minimum qualifications for the open positions. The Consultant will contact the County's GAIN/GROW Division for a list of participants by job category.

The Agreement has been approved as to form by County Counsel and executed by Carde Ten Architects.

ENVIRONMENTAL DOCUMENTATION:

This action is exempt from the provisions of National Environmental Policy Act pursuant to 24 Code of Federal Regulations Part 58, Section 58.34 (a)(1) & (8) because it involves design activities that will not have a physical impact on or result in any physical changes to the environment. The action is not subject to the provisions of the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines 15060(c)(3) and 15378 because it is not defined as a project under CEQA and does not have the potential for causing a significant effect on the environment.

The environmental review record for this project is available for viewing by the public during regular business hours at the Housing Authority's main office located at 2 Coral Circle, Monterey Park.

CONTRACTING PROCESS:

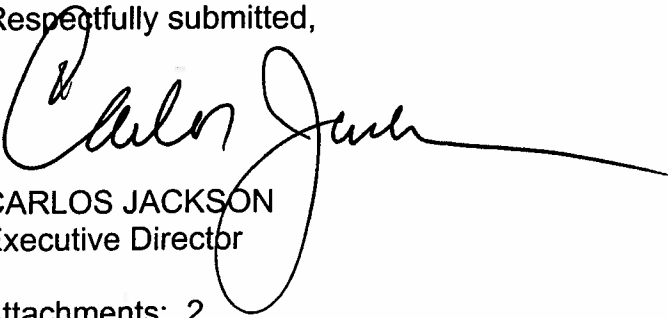

On September 22, 2005, the Commission initiated a Request for Statements of Qualifications (RFSQs) process inviting interested firms to submit statements of qualifications to provide the needed architectural services. Notices of the RFSQ were mailed to 205 architectural firms identified from the Commission's vendor list. Announcements also appeared in eight local newspapers and on the County WebVen website. Sixty-nine RFSQs were requested and distributed.

On October 20, 2005, seven firms submitted Statements of Qualifications (SOQ). A review panel of Commission personnel evaluated and ranked the SOQs. Carde Ten Architects was selected as the most qualified firm and was invited to submit a fee proposal and enter into negotiations with the Commission, resulting in a mutually agreeable fee of \$2,066,700. The Summary of Outreach Activities is provided as Attachment A.

IMPACT ON CURRENT PROJECT:

The proposed Agreement will provide services necessary to complete design of the proposed libraries.

Respectfully submitted,

Any assumption, assignment, delegation, or takeover of any of the Consultant's duties, responsibilities, obligations, or performance of same by any entity other than the Consultant, whether through assignment, subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without the Commission's express prior written approval, shall be a material breach of the Contract which may result in the termination of the Contract. Should Consultant receive any such payment, it shall immediately notify the Commission and shall immediately repay all such funds to the Commission. Section 19.3 Termination for Cause and / or Default

This Agreement may be terminated by the Commission upon 10 days' written notice to the Consultant for cause and/or default (failure to perform satisfactorily any of the Agreement terms, conditions and work items) with no penalties incurred upon termination or upon the occurrence of any of the following events:

- A. Continuing failure of the Consultant to perform any work required to be performed hereunder in a timely and professional manner, or Consultant is not properly carrying out the provisions of the Agreement in their true intent and meaning, then in such case, notice thereof in writing will be served upon the Consultant; and should the Consultant neglect or refuse to provide a means for a satisfactory compliance with this Agreement and with the direction of the Commission within the time specified in such notices, the Commission shall have the power to suspend the performance of this Agreement by Consultant in whole or in part.
- B. Should the Consultant fail within five (5) days to perform in a satisfactory manner, in accordance with the provisions of this Agreement, or if the work to be done under this Agreement is abandoned for more than five (5) days by the Consultant, then notice of deficiency thereof in writing may be served upon Consultant by the Commission. - D. In the event that a petition of bankruptcy shall be filed by or against the Consultant.
- E. If, through any cause, the Consultant shall fail to fulfill in timely and proper manner the obligations under this Agreement, or if the Consultant shall violate any of the covenants, agreements, or stipulations of this Agreement, the Commission shall thereupon have the right to terminate this Agreement by giving written notice to the Consultant of such termination and specifying the effective date thereof, at least five days before the effective date of such termination. In such event, with respect to all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Consultant under this Agreement, Consultant shall be entitled to receive just and equitable compensation for any work

satisfactorily completed, subject to the Commission's rights of recoupment, cut-off, and withholding.

Section 19.4 Termination for Improper Consideration

Commission may, by written notice to Consultant, immediately terminate the right of Consultant to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Consultant, either directly or through an intermediary, to any Commission officer, employee or agent with the intent of securing the Agreement or securing favorable treatment with respect to the award, amendment or extension of the Agreement or the making of any determinations with respect to the Consultant's performance pursuant to the Agreement. In the event of such termination, the Commission shall be entitled to pursue the same remedies against Consultant as it could pursue in the event of termination for cause and / or default by the Consultant.

Consultant shall immediately report any attempt by a Commission officer or employee to solicit such improper consideration. The Report shall be made to the Executive Director of the Commission.

Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

Section 19.5 Consultant Responsibility and Debarment

A responsible Consultant is a Consultant who has demonstrated the attribute of trustworthiness, as well as fitness, capacity and experience to satisfactorily perform the Agreement. It is the policy of the Commission to conduct business only with responsible consultants.

The Consultant is hereby notified that, if the Commission acquires information concerning the performance of the Consultant on this or other contracts which indicated that the Consultant is not responsible, the Commission may, in addition to other remedies provided in the Agreement, debar the Consultant from bidding on Commission contracts for a specified period of time not to exceed 3 years, and terminate any or all existing contracts the Consultant may have with the Commission.

The Commission may debar a consultant if the Board of Commissioners finds, in its discretion, that the Consultant has done any of the following: (1) violated any term of a contract with the Commission, (2) committed any act or omission which negatively reflects on the Consultant's quality, fitness or capacity to perform a contract with the Commission or any other public entity, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County, the Commission or the Housing Authority or any other public entity.

If there is evidence that the Consultant may be subject to debarment, the Commission will notify the Consultant in writing of the evidence, which is the basis for the proposed debarment and will advise the Consultant of the scheduled date for a debarment hearing before the Consultant Hearing Board.

The Consultant hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Consultant and/or the Consultant's representative shall be given an opportunity to submit evidence at the hearing. After the hearing, the Consultant Hearing Board shall prepare a proposed decision, which shall contain a recommendation regarding whether the consultant should be debarred, and, if so, the appropriate length of time of the debarment. If the Consultant fails to avail itself of the opportunity to submit evidence to the Consultant Hearing Board, the Consultant may be deemed to have waived all rights of appeal.

A record of the hearing, the proposed decision and any other recommendation of the Consultant hearing Board shall be presented to the Board of Commissioners. The Board of Commissioners shall have the right to modify, deny or adopt the proposed decision and recommendation of the Hearing Board. These terms shall also apply to subconsultants of the Consultant.

Section 20.0 Remedies

- a. The rights and remedies of the Commission provided for under this Agreement are in addition to any other rights and remedies provided by law.
- b. Commission may assert, either during or after performance of this Agreement any right of recovery it may have against Consultant by any means it deems appropriate including, but not limited to, set-off, action at law, withholding, recoupment, or counterclaim.
- c. The rights and remedies of the Commission under this Agreement are in addition to any right or remedy provided by California law.

Section 21.0 Compliance With Jury Service Program

Unless Consultant has demonstrated to the Commission's satisfaction either that Consultant is not a "Consultant" as defined under the Jury Service Program or that Consultant qualifies for an exception to the Jury Service Program, Consultant shall have and adhere to a written policy that provides that its employees shall receive from the Consultant, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the Consultant or that the Consultant deduct from the employee's regular pay the fees received for jury service.

For purposes of this Section, "Consultant" means a person, partnership, corporation or other entity which has a contract with the Commission or a subcontract with a Commission Consultant and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more Commission contracts or subcontracts. "Employee" means any California resident who is a full time employee of Consultant. "Full time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the Commission, or 2) Consultant has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary

services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Consultant uses any subconsultant to perform services for the Commission under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.

If Consultant is not required to comply with the Jury Service Program when the Agreement commences, Consultant shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Consultant shall immediately notify Commission if Consultant at any time either comes within the Jury Service Program's definition of "Consultant" or if Consultant no longer qualifies for an exception to the Program. In either event, Consultant shall immediately implement a written policy consistent with the Jury Service Program. The Commission may also require, at any time during the Agreement and at its sole discretion, that Consultant demonstrate to the Commission's satisfaction that Consultant either continues to remain outside of the Jury Service Program's definition of "Consultant" and/or that Consultant continues to qualify for an exception to the Program.

Consultant's violation of this Section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, Commission may, in its sole discretion, terminate the Agreement and/or bar Consultant from the award of future Commission contracts for a period of time consistent with the seriousness of the breach.

Section 22.0 Certification Regarding Lobbying

Consultant is prohibited by the Department of the Interior and Related Agencies Appropriations Act, known as the Byrd Amendments, and HUD's 24 Code of the Federal Regulations (CFR) 87, from using federally appropriated funds for the purpose of influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal agreement, the making of any Federal grant, loan or cooperative agreement, and any extension, continuation, renewal, amendment, or modification of said documents.

The Consultant must certify in writing that it is familiar with the Federal Lobbyist Requirements and that all persons and/or subconsultants acting on behalf of the Consultant will comply with the Lobbyist Requirements. The Consultant certifies under penalty of perjury under the laws of the State of California that the Consultant will comply with the requirements of the Drug-Free Workplace Act of 1990.

Section 25.0 Severability

In the event that any provision herein contained is held to be invalid, void or illegal by any court of competent jurisdiction, the same shall be deemed severable from the remainder of this Agreement and shall in no way affect, impair or invalidate any other provision contained herein. If any such provision shall be deemed invalid due to its scope or breadth, such provision shall be deemed valid to the extent of the scope or breadth permitted by law.

Section 26.0 Interpretation

No provision of this Agreement is to be interpreted for or against either party because that party or that party's legal representative drafted such provision, but this Agreement is to be construed as if it were drafted by both parties hereto.

Section 27.0 Waiver

No breach of any provision hereof can be waived unless in writing. Waiver of any one breach of any provision of this Agreement shall not be deemed to be a waiver of any other breach of the same or any other provision hereof.

Neither the Commission's review, approval or acceptance of, nor payment for, the services required under this Agreement shall be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement, and the Consultant shall be and remain liable to the Commission in accordance with applicable law for all damages to the Commission caused by the Consultant's negligent performance of any of the services furnished under this Agreement.

Section 28.0 Commission's Quality Assurance Plan

The Commission or its agent will evaluate Consultant's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Consultant's compliance with all Agreement terms and performance standards. Consultant deficiencies which Commission determines are severe or continuing and that may place performance of the Agreement in jeopardy if not corrected will be reported to the Board of Commissioners. The report will include improvement/corrective action measures taken by the Commission and Consultant. If improvement does not

occur consistent with the corrective action measures, Commission may terminate this Agreement or impose other penalties as specified in the Agreement.

A performance review will be conducted no later than ninety (90) days prior to the end of the first and second years of this Agreement to evaluate the performance of the Consultant. Based on the assessment of the performance review, as determined by the Commission in its sole discretion, written notification will be given to the Consultant whether this Agreement will be terminated at the end of the current year or will be continued into the next Agreement year.

Section 29.0 Agreement Evaluation and Review

The ongoing assessment and monitoring of this Agreement is the responsibility of the Commission's Contracting Officer or designee.

Section 30.0 Adherence to Commission's Child Support Compliance Program

Consultant acknowledges that Commission has established a goal of ensuring that all individuals who benefit financially from the Commission through this Agreement are in compliance with their court-ordered child, family and spousal obligations in order to mitigate the economic burden otherwise imposed upon taxpayers of the County.

As required by Commission's Child Support Compliance Program and without limiting Consultant's duty under this Agreement to comply with all applicable provisions of law, Consultant warrants that it is now in compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or District Attorney Notices of Wages and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

Termination for Breach of Warranty to Maintain Compliance with Commission's Child Support Compliance Program

Failure of Consultant to maintain compliance with the requirements set forth in this Section 30.0 "Adherence to Commission's Child Support Compliance Program" shall constitute a default by Consultant under this Agreement. Without limiting the rights and remedies available to the Commission under any other provision of the Agreement, failure to cure such default within 90 days of notice by the Los Angeles County District Attorney shall be grounds upon which the Commission's Board of Commissioners may terminate this Agreement.

Post L.A.'s Most Wanted Parents List

Consultant acknowledges that Commission places a high priority on the enforcement of child support laws and the apprehension of child support evaders. Consultant understands that it is Commission's policy to encourage all Commission consultants to voluntarily post County's "L.A.'s Most Wanted: Delinquent Parents" poster in a

prominent position at Consultant's place of business. District Attorney will supply Consultant with the poster to be used.

Section 31.0 Access and Retention of Records

10. Solicit, review and incorporate changes from the contractor's marked up as-built set into a final as-built set of drawings; then upon project completion, provide one electronic set, one reproducible set, and one bond paper set to the Owner and Owner's representative.

D. Trouble-shooting: Trouble-shooting and submission of written solutions to resolve construction defects and disputes.

2.0 Design Within Funding Limits

If the proposed design as bid varies more than 10% above the Commission's budget or more than 10% below the budget, the Consultant will re-design the project to meet the above-named budgetary targets at no cost to the Commission.

3.0 Standard of Care

The Consultant represents, covenants, and agrees that all of the services to be furnished by the Consultant under or pursuant to this Agreement, from the inception of this Agreement until the Project has been fully completed, shall be of a standard and quality that prevails among highly qualified and competent architects engaged in architectural practice in the Southern California area under the same or similar circumstances involving the design and construction of a project having characteristics that are similar to the Project (including without limitation, public nature, comparable scope, quality and schedule ["Professional Standard"]). Consultant accepts the special relationship of trust and confidence established between it and Commission by this Agreement. Consultant covenants to design the Project and produce the necessary Construction Documents, and to further the interests of Commission in accordance with Commission's requirements and procedures, in accordance with the Professional Standard and in compliance with all applicable restrictions, laws, codes, and regulations in effect throughout the period that Consultant is performing services under this Agreement.

The Consultant shall be responsible for the professional quality, technical accuracy, and the coordination of all designs, drawings, specifications, and other services furnished by the Consultant under this contract. The Consultant shall, without additional compensation, correct or revise any errors or deficiencies in its designs, drawings, specifications, and other services that do not meet the Professional Standard.

4.0 Value Engineering

Consultant acknowledges and understands that it is Commission's objective to construct the Work, wherever possible and without sacrificing the Design, as economically as possible. Consistent with this objective, it shall be Consultant's obligation to perform detailed value engineering during the Project, and to make changes as necessary to keep the estimate within 10% of the currently established construction budget, so as to present to Commission alternative designs, engineering, materials, and methods of construction that will reduce costs and the Agreement time. Failure by Consultant to comply with such obligation under circumstances in which Consultant knew or reasonably suspected the existence of such alternatives shall constitute a breach of this Agreement. Commission shall have the right, at its sole discretion, to decline to approve and incorporate Consultant's cost reduction alternatives into the Work.

5.0 Reproduction of Final Documents

The Consultant shall cause two (2) sets of blueprints, specifications, estimates, etc. to be provided to the Commission at all submittal phases including such sets as may be required for plan check agencies and one (1) complete set of approved, reproducible construction documents to be delivered for construction solicitation purposes. The cost of reproducing these documents is included in the Consultant's basic fee.

Section 6.0 Changes Required

The Consultant shall promptly make all changes in the construction solicitation documents necessary to obtain approval of the agencies described above for construction, services, and occupancy without additional compensation or reimbursement. The Consultant shall make all reasonably requested changes in the drawings and specifications based upon Commission's review of the progress submittals.

7.0 Project Schedule

Consultant shall work in accordance with the Project Schedule established in the Notice to Proceed for each project or assignment under this Agreement. Consultant shall provide monthly updates as needed to track design progress, including design consultants' progress, using Microsoft Schedule or similar scheduling software. If using other similar scheduling software, the choice of software needs to be approved by the Owner's representative prior to implementing.

COUNTY OF LOS ANGELES EMPLOYEE JURY SERVICE PROGRAM
APPLICATION FOR EXCEPTION AND CERTIFICATION FORM

The County's solicitation for this contract/purchase order (Request for Proposal, Statement of Qualifications, or Invitation for Bid) is subject to the County of Los Angeles Employee Jury Service Program (Program) (Los Angeles County Code, Chapter 2.203). All bidders or proposers, whether a contractor or subcontractor, must complete this form to either 1) request an exception from the Program requirements or 2) certify compliance. Upon review of the submitted form, the County department will determine, in its sole discretion, whether the bidder or proposer is excepted from the Program.

Company Name: Carde Ten Architects		
Company Address: 1638 19th Street		
City: Santa Monica	State: CA	Zip Code: 90404
Telephone Number: 310.453.4427		
Solicitation For (Type of Goods or Services): Architectural Services		

If you believe the Jury Service Program does not apply to your business, check the appropriate box in Part I (attach documentation to support your claim); or, complete Part II to certify compliance with the Program. Whether you complete Part I or Part II, please sign and date this form below.

Part I: Jury Service Program Is Not Applicable to My Business

- ☐ My business does not meet the definition of "contractor," as defined in the Program as it has not received an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts (this exception is not available if the contract/purchase order itself will exceed \$50,000). I understand that the exception will be lost and I must comply with the Program if my revenues from the County exceed an aggregate sum of \$50,000 in any 12-month period.
- ☐ My business is a small business as defined in the Program. It 1) has ten or fewer employees; and, 2) has annual gross revenues in the preceding twelve months which, if added to the annual amount of this contract, are \$500,000 or less; and, 3) is not an affiliate or subsidiary of a business dominant in its field of operation, as defined below. I understand that the exemption will be lost and I must comply with the Program if the number of employees in my business and my gross annual revenues exceed the above limits.

"Dominant in its field of operation" means having more than ten employees, including full-time and part-time employees, and annual gross revenues in the preceding twelve months, which, if added to the annual amount of the contract awarded, exceed \$500,000.

"Affiliate or subsidiary of a business dominant in its field of operation" means a business which is at least 20 percent owned by a business dominant in its field of operation, or by partners, officers, directors, majority stockholders, or their equivalent, of a business dominant in that field of operation.

- ☐ My business is subject to a Collective Bargaining Agreement (attach agreement) that expressly provides that it supersedes all provisions of the Program.

OR

Part II - Certification of Compliance

- ☒ My business has and adheres to a written policy that provides, on an annual basis, no less than five days of regular pay for actual jury service for full-time employees of the business who are also California residents, or my company will have and adhere to such a policy prior to award of the contract.

I declare under penalty of perjury under the laws of the State of California that the information stated above is true and correct.

Purpose of Form

A person who is required to file an information return with the IRS, must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

U.S. person. Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee.

Note: If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Foreign person. If you are a foreign person, use the appropriate Form W-8 (see Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien.

Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the recipient has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

BACKGROUND AND RESOURCES: CALIFORNIA CHARITIES REGULATION

There is a keen public interest in preventing misuse of charitable contributions. California's "Supervision of Trustees and Fundraisers for Charitable Purposes Act" regulates those raising and receiving charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) tightened Charitable Purposes Act requirements for charitable organization administration and fundraising.

The Charitable Purposes Act rules cover California public benefit corporations, unincorporated associations, and trustee entities. They may include similar foreign corporations doing business or holding property in California. Generally, an organization is subject to the registration and reporting requirements of the Charitable Purposes Act if it is a California nonprofit public benefit corporation or is tax exempt under Internal Revenue Code § 501(c)(3), and not exempt from reporting under Government Code § 12583. Most educational institutions, hospitals, cemeteries, and religious organizations are exempt from Supervision of Trustees Act requirements.

Key new Charitable Purposes Act requirements affect executive compensation, fundraising practices and documentation. Charities with over \$2 million of revenues (excluding grants and service-contract funds a governmental entity requires to be accounted for) have new audit requirements. Charities required to have audits must also establish an audit committee whose members have no material financial interest in any entity doing business with the charity.

Organizations or persons that receive or raise charitable contributions are likely to be subject to the Charitable Purposes Act. A bidder/proposer on Commission and/or Housing Authority contracts must determine if it is subject to the Charitable Purposes Act and certify either that:

- It is not presently subject to the Act, but will comply if later activities make it subject, or,
- If subject, it is currently in compliance.

RESOURCES

The following resource references are offered to assist bidders/proposers who engage in charitable contributions activities, however, each bidder/proposer is responsible to research and determine its own legal obligations and properly complete the Charitable Contributions Certification form.

In California, supervision of charities is the responsibility of the Attorney General, whose website, <http://caag.state.ca.us/>, contains much information helpful to regulated charitable organizations.

1. LAWS AFFECTING NONPROFITS

The "Supervision of Trustees and Fundraisers for Charitable Purposes Act" is found at California Government Code §§ 12580 through 12599.7. Implementing regulations are found at Title 11, California Code of Regulations, §§ 300 through 312. In California, charitable solicitations ("advertising") are governed by Business & Professions Code §§ 17510 through 17510.95. Regulation of nonprofit corporations is found at Title 11, California Code of Regulations, §§ 999.1 through 999.5. (Amended regulations are pending.) Links to all of these rules are at: <http://caag.state.ca.us/charities/statutes.htm>.

2. SUPPORT FOR NONPROFIT ORGANIZATIONS

Several organizations offer both complimentary and fee-based assistance to nonprofits, including in Los Angeles, the *Center for Nonprofit Management*, 606 S. Olive St #2450, Los Angeles, CA 90014 (213) 623-7080 <http://www.cnmsocal.org/>, and statewide, the *California Association of Nonprofits*, <http://www.canonprofits.org/>. Both organizations' websites offer information about how to establish and manage a charitable organization.

The above information, including the organizations listed, is for informational purposes only. Nothing contained in this sub-section shall be construed as an endorsement by the Commission of such organizations.

**Have You Told Your Employees About the
Earned Income Credit (EIC)?**

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

A change to note. Workers cannot claim the EIC if their 2001 investment income (such as interest and dividends) is over \$2,450.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note: You are encouraged to notify each employee whose wages for 2001 are less than \$32,121 that he or she may be eligible for the EIC.

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.

- Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 7, 2002.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676. You can also get the notice from the IRS Web Site at www.irs.gov.

**How Will My Employees Know If They Can
Claim the EIC?**

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2001 instructions for Form 1040, 1040A, 1040EZ, or Pub. 596, Earned Income Credit.

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2001 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2001 and owes no tax but is eligible for a credit of \$791, he or she must file a 2001 tax return to get the \$791 refund.

**How Do My Employees Get Advance EIC
Payments?**

Eligible employees who expect to have a qualifying child for 2001 can get part of the credit with their pay during the year by giving you a completed Form W-5, Earned Income Credit Advance Payment Certificate. You must include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see Pub. 15, Employer's Tax Guide.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazaletes y el padre/madre recibirá un brazaletes igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de redamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
